

## ECG KT 200 DT White

### PTC heater

Product code: 341810184958

EAN: 8592131305489

- Temperature settings 15° - 35°C
- ECO mode: keeping temperature between 18 - 22°C
- LCD display and control panel
- Automatic switch off

- Ceramic PTC heating element for effective heating
- Temperature setting 15° - 35°C
- Automatic ECO mode: turns on when temperature drops below 18° and shuts off at 22°C

- Oscillation settings 80°
- Input power 1200/2000 W
- Remote control
- Timer up to 24 h
- Overheat protection

- Remote control for all functions
- Control panel in upper part
- LCD display
- Aut. shut off in case of overturning

## Technical specification

Input power (W)	1650-2000
Voltage/Frequency (V/Hz)	220-240 – 50/60
Power supply	Cord
Power cord length (cm)	185
Noise level (dB)	50
Fuse	Yes

## Product specification

Levels of heating	2
Oscilation	90°
Fan	Yes
Cold air function	Yes
Temperature setting	Yes (15 - 35°C)
Timer	Yes 24h
Power indicator light	Yes
Aut. switch off	Yes
LCD display	Yes
Remote Cotrol	Yes
Handle	Yes

## Design

Colour	Black
Material	Ceramics/Plastic
