Perfectly cooled beverages

You will appreciate the services of the first-class cooler bag **ECG AC 3010 C** especially in the summer months.

Thanks to the generous **30 l volume** of the bag, you can easily place in it **up to 20 half-litre bottles or cans** – this means enough space for chilled drinks for the whole family to take for a trip, picnic or garden party.

Thought out in detail

Thanks to the **first-class PEVA insulation** and a powerful motor, the cooler bag ECG AC 3010 C offers cooling of up to 15 °C temperature difference compared to ambient temperature.

In addition, the **solid removable bottom** is entirely washable, providing for easy maintenance if necessary.

Comfortable choice

The ECG AC 3010 C cooler bag is equipped with practical **soft strap** with the option of length adjustment, which allows for a maximum comfort in transport.

Two **mesh pockets** on the sides and two smaller ones in the interior provide a wonderful option of safe storage and transport of various small items.
