Multifunctional trimmer for perfect style

You don't have to go to a famous barber shop for a perfect cut and you also don't need a trimmer costing thousands. We are introducing the multifunctional rechargeable trimmer **ECG ZH 1321**, with which you will always achieve great results like from a professional.

Shaving, shaping and trimming do not present any problem. Just set the shaver and in a moment you will be like new.

It can handle up to 20 lengths of cut

The ECG trimmer can create up to **20 lengths of cut** in range of 0.5 to 10 mm with one attachment. You can easily set the required length with the rotary knob. After setting, the chosen length will be **automatically locked**, so there is no danger that the setting will change during use. The width of the cut is 30 mm. The device is truly multifunctional, because it can handle even intimate parts. Its overall ergonomic design facilitates its handling.

The **blades made of high quality stainless steel**, which is gentle on the skin, guarantee excellent results. To keep the skin contact as smooth as possible, the blades have rounded tips. You do not have to be afraid of risking any injury.

You can clean it in a few minutes

Maximum comfort and freedom during trimming is ensured by **wireless use** which lasts **up to 30 minutes** of operation for ECG ZH 1321. Full charge takes 8 hours and is done via the included USB cable. A practical charging indicator is a matter of course. The best thing for you to do is to leave the machine plugged in the in the outlet overnight and it will be ready for use in the morning.

The compact dimensions and battery design make the ECG a great travel companion. You will always have your appearance under control. The **accessories for the maintenance** of the trimmer are included in the package. In addition to the already mentioned USB cable, you will find a cleaning brush, an oil bottle and a comb attachment. The possibility of rinsing under running water contributes to easy maintenance.
