Holder for TV sets 32–60“

Do you want to mount the TV on the wall? The **ECG LD 326001** mount is designed for televisions with the diagonal ranging from 32 to 60“. Thanks to the great load capacity of up to 30 kg, you don't have to worry that it would not carry the weight of your TV. The size for the so-called VESA mount for this model is 140×140 to 400×400. The advantage of the mount is also the possibility of setting the distance from the wall from 56 to 465 mm.

The extendable, swivelling and tilting arm ensures great comfort for your TV watching. In addition, the mount contains a practical cable storing space. Installation accessories are included in the packaging.
