Dust free cleanliness

You can say goodbye to dust, to all this animal hair and other dirt when using the **ECG VP S5020 Animal Comfort** floor vacuum cleaner. It is a reliable home appliance and with its help you can clean your entire home. Thanks to maximum power level of **800 W** and suction performance of 180 W, the vacuum cleaner will handle all possible kinds of dirt, so that your carpets and other floor surfaces will shine with cleanliness. You and your family will have a pleasant feeling at home.

You will also appreciate its **very quiet operation**, thanks to which you don't bother people around when cleaning – maximum noise level reaches **70 dB**.

Comfortable work with a wide range of accessories

The ECG VP S5020 Animal Comfort vacuum cleaner also comes with a lot of practical accessories, thanks to which you can precisely clean every corner of your apartment. You can work with a practical telescopic nozzle, also with combined floor nozzle **Wessel Werk** or with special **turbo pet brush**. An efficient **HEPA filter** (HEPA E10) is a matter of course; it can catch even the tiniest dirt particles (dust, pollen, cigarette smoke, mite droppings, moulds...).

Working range of the vacuum cleaner is sufficient **9 meters**. Without having to constantly switch the appliance from one outlet to another, you have plenty of room to maneuver when cleaning with it.

You can also flexibly adjust the vacuum cleaner's performance when cleaning. The appliance also offers practical **digital suction power control**.
