For easy and efficient cleaning

The **ECG VT 5220 2in1 Flex Clean** bagless stick vacuum cleaner arrives in your home so that you do not have to overtire yourself during a regular cleaning. And also to clean everything really thoroughly. It is a modern appliance with an effective **cyclone motor**, which boasts an output of **150 W**. You can perfectly clean hard floors and carpets, and you can also boldly throw yourself into the cleaning of sofas, armchairs or even car seats with it. You can easily turn the vacuum cleaner **very simply into a small hand-held vacuum cleaner** with which you can reach practically everywhere.

The vacuum cleaner has among its accessories also a **wiping pad** allowing mopping.

The **removable dirt container** has a volume of **500 ml** and offers a practical fullness indicator. You will also appreciate the **LED lighting** of the vacuumed area during cleaning and the efficient **HEPA filter**, thanks to which the vacuum cleaner does not cause secondary dirt.

Comfortable work

With this bagless stick vacuum cleaner, housekeeping is a complete breeze. This is a **battery appliance**, which does not need any power cable – it is powered by removable and replaceable efficient **Li-ion 2200mAh battery**, and that means that you do not drag any cable behind you when working. The appliance can last **up to 30 minutes** on one charge. However, if necessary, you can also use the classic electrical outlet.

In addition, the easy work with the vacuum cleaner is made even easier with the suction nozzle with a **practical movable joint** – thanks to it you can easily reach even hard-to-reach places.

All necessary accessories

In order to be able to vacuum thoroughly in every corner of your home, you get the ECG VT 5220 2in1 Flex Clean as well as a **rich collection of accessories**.

You can also use the following tools:

Dusting brush

Rotary parquet nozzle with a replaceable attachment for hard floors or carpet (with LED backlight)

Pad for mopping (e.g. spilled liquid on the floors)
