For every man

You get the perfect look with a single device that can handle the work of several helpers. Reach for the multifunctional men's beard, body hair and hair care kit. Introducing the multi purpose **ECG GRS 3820 Magnetic** kit with which you can achieve the perfect look.

You have **3 different heads** available for professional styling. The cutting length can be set to 0.1–16 mm. The cutting width ranges from 0.8 to 40.88 mm. The cutting width of the detailing trimmer is 3.5 mm. In addition, the trimmer has high-quality steel blades with a double-edged blade. You can handle literally any cutting length with the trimming attachments. Any and every user can choose from **9 attachments**.

A true above-standard equipment

A great advantage is that the machine is **washable**, because it is covered with **IPX5**. Easy charging is ensured by the USB cable with a magnetic connector. The 500 mAh battery **charges for only 2 hours** and also included is the practical charge status LED indicator. It lasts **60 minutes in operation** on a single charge. Cable-free use gives you plenty of freedom, and you can customize your look literally anywhere.

Why is the ECG kit so great? In addition to the T-type trimmer, it also contains a large number of accessories. We can enumerate **9 attachments**, strong and very durable **travel case**, a special comb for beard grooming, oil and a cleaning brush. Further, you will find included **two spare heads** for styling and detailed hair and beard shaping, a comb, a USB power cable and a 5 V DC adapter.
