For every man

You will get the perfect look using one single device substituting several other helpers. Reach for the multifunctional men's trimming set for beard care, hair and body hair care. Introducing the **ECG GRS 2620 Magnetic** multi-purpose set, which will help you to achieve a perfect appearance.

There are **2 different heads** available for professional styling. Cutting length can be set to 0.1–16 mm. The cutting width is in the range from 0.8–40.88 mm. The width of the detailing trimmer is 3.5 mm. In addition, the trimmer has blades made of high-quality steel and double edge. You can use the trimming extensions for literally any cutting length. Any user will be able to make a selection from **6 attachments**.

It has truly above-standard equipment

The great advantage is that the machine is **washable**, because it has an **IPX5** covering. The **USB cable** with **magnetic connector** ensures easy recharging. The 500 mAh battery **charges only for 2 hours** signalled by practical LED charging indicator. One charge lasts **60 minutes of operation**. Cable-free use ensures enough freedom, and you can literally fix your appearance anywhere.

Why is the ECG set so great? In addition to the type T trimmer, it also contains a large number of accessories. We can list **6 attachments**, a strong and very durable **travel case**, comb, oil, cleaning brush, USB charging cable and 5 V DC adapter.
