Popular shows in Full HD

Get an LED TV **ECG 40 F05T2S2** for you living room and watch your favourite programs in top **Full HD** quality. Whether you like Hollywood movies or prefer sports broadcasts, you can enjoy everything down to the smallest detail on the 40-inch screen. You can also count on a high-quality sound – it will be provided by **stereo speakers** with **2× 8 W** power.

In order that you can place at home the new TV set exactly where you want it, the ECG 40 F05T2S2 has available a **stable stand** and can also be **mounted on a wall** (using VESA 200 × 200 standard).

3 ways to receive TV programs

Since our LED TV is equipped with a **triple tuner**, you can tune in your favourite programs in three different ways. The digital broadcast signal can come from a **classic antenna** (standard **DVB-T2** with modern coding **H.265/HEVC**), **from a satellite** (DVB-S2) and from **the cable box** (DVB-C). Just choose the method you prefer and the fun can start.

Add more devices

Play a movie from a flash drive

The connectors of the ECG 40 F05T2S2 include also **two USB ports**, which further expand the functionality of the device. Through them, you can connect a portable flash drive with movies, photos or other multimedia to the device and then play them directly on the 40-inch TV screen.
