

ECG VT 3630 2in1 Alan

Stick vacuum cleaner 2in1

Product code: 100001831743

EAN: 8592131309104

- 2in1 design (with hand vacuum feature)
- High-efficiency cyclonic filter system
- Motorized rotary brush with LED lighting
- Cordless and mains operation
- Up to 40 minutes run time per charge

- 2in1 stick vacuum / hand vacuum for versatile cleaning
- Suitable for all flooring materials
- Battery or mains power
- Bag-free design
- Lightweight aluminum telescoping shaft for easy handling
- Quality rubberized castors
- Integrated LED floor illumination for easier cleaning
- High-efficiency cyclonic filter system
- Washable permanent and fabric intake filters
- Motorized rotary brush for thorough cleaning

- Removable, replaceable dust brush
- 1.2 liter (40 fl oz) dustbin volume
- Powerful 130 W motor
- 8.0–12.0 kPa vacuum power
- 2 power levels
- 2 storage modes (standing upright / wall holder)
- Accessories: 3 rotary brushes (1 pc bristled; 2 pc smooth); 2in1 head with brush; wall holder; compact motorized turbo brush; cleaning brush for rotary brush head; charger
- Overheat protection
- High-performance Li-Ion battery; (22.2 V; 2,200 mAh; 6 cells)

- Up to 40 minutes (low power) / 24 minutes (high power) per charge
- Charge time ca. 5 h
- Removable, replaceable battery
- 22.2 V nominal voltage
- 130 W nominal output power
- Motorized brush head (22.2 V; 15 W nominal output power)
- Charger
- Nominal voltage:
 - AC: 100–240 V AC ~ 50/60 Hz; 400 mA
 - DC: 27 V; 500 mA

Technical specification

Input power (W)	130
Voltage/Frequency (V/Hz)	22.2
Power supply	Cordless
Battery type	Li-Ion 2200mAh
Power cord length (cm)	180
Adapter	100-240V ~ 50/60Hz; 0,4A Max 27,0V 550 mA 13,5W
Noise level (dB)	<80

Product specification

Filtration Type	Washable filter
HEPA filter	No
Dust Bag or dust container volume (ml)	1200
Dust bag type	Bagg less
Power regulation	Yes
Charging time	4,5 hours
Operation time	24 / 40 minutes
Docking station	No
Charging battery indicator	-

Cleans Floors, Tables, Cars

Vacuuming floors, removing crumbs from tables and countertops, cleaning car interiors. The **ECG VT 3630 2in1 Alan** stick vacuum cleaner can easily help you with any of these. It can run on the **mains or battery power** and converts into a compact **handheld vacuum**. When not in use, it can **hang on the wall** in the supplied holder, but it's also engineered to stand upright on its own.

Aside from its flexibility, the cleaner also offers a convenient bag-free design, long battery life, high suction power, and a highly efficient cyclonic filter system. In short, we've thought of everything.

Convenient Cordless Cleaning

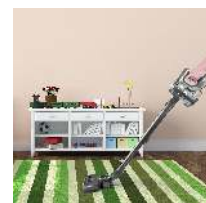

Aside from the mains, this vacuum cleaner can also run on a high-capacity **Li-Ion battery** (supplied), saving you the fuss of tripping over power cords and hunting for sockets in range. A full charge lasts for up to **40 minutes** of operation.

A full recharge takes about 5 hours. If necessary, the battery can be **removed or replaced**.

High-Efficiency Bagless Filter

The ECG VT 3630 2in1 Alan stick vacuum uses a high-efficiency **cyclonic filter** system, complemented by a fixed screen and removable fabric filter for intake air. This is a **bagless** design with a dustbin that you simply empty when required.

Cyclonic filtering uses the vacuum's air current to circulate collected dust and dirt, separating larger pieces from fine dust like a centrifuge. This obviates the need for a bag, and large objects such as earrings or Lego bricks are guaranteed to end up in the bin, instead of potentially damaging the filter or motor.

Effective, Easy Cleaning

ECG stick vacuums are engineered to please, with every component designed to make your chores easier and more effective. At the heart of the appliance is a **high-power two-speed motor** developing up to 130 W of power. The **motorized rotary brush** further improves cleaning performance, and the **telescoping stick is lightweight aluminium** for easier handling. Rounding out the set are practical features for ease of use, such as **LED illumination** of the work area, quality **rubberized castors**, and **overheat protection**.

The vacuum comes with a versatile set of accessories, including a bristled and a smooth brush for different floorings, a 2in1 brush head, the wall holder, a small motorized **turbo brush** for cleaning resilient dirt (like pet hair) from smaller areas, and a charger. There's even a hand brush to clean the main brush.
