

ECG VT 3620 2in1 Jean

Stick vacuum cleaner 2in1

Product code: 100001831742

EAN: 8592131309098

- 2-in-1 version (easy conversion into a hand-held vacuum cleaner)
- Efficient cyclone filtration system
- Motorized rotary brush with LED lighting
- Wireless battery operation
- Up to 40 minutes of operation on a single charge

- Product summary
- Stick vacuum cleaner in 2-in-1 design (easy transformation into a hand-held vacuum cleaner)
- Suitable for all types of floors
- Bagless version
- Lightweight aluminum suction tube for effortless vacuuming
- Wheels with rubber surface
- Practical LED lighting of the vacuumed surface
- Efficient cyclone filtration system
- Entrance washable permanent filter with entrance washable fabric filter
- Motorized rotary brush for thorough cleaning

- Detachable dust brush
- 1.2 l dirt container
- Powerful motor (130 W)
- High suction power 8.0-12.0 kPa (vacuum power)
- Power regulation option (2 speeds)
- 2 ways of storage (putting in a wall bracket; attaching the body to the tube and standing on the floor)
- Accessories: 2 types of rotary brush (bristle and smooth); 2in1 combined nozzle with dust brush; holder for fixing the vacuum cleaner to the wall; charging adapter
- Overheating fuse

- High performance Li-Ion battery (22.2 V; 2200 mAh; 6 cells)
- Operating time per charge approx. 24 minutes (high speed) / 40 minutes (low speed)
- Charging time approx. 5 h
- The battery can be removed and replaced
- Nominal voltage 22.2 V
- Rated power 130 W
- Motorized floor brush (rated power 22.2 V; 15 W)
- Charging adapter
- Rated input 100-240 V AC ~ 50/60 Hz; 400mA
- Rated power 27 V; 500mA

Technical specification

Input power (W)	130
Voltage/Frequency (V/Hz)	22.2
Power supply	Cordless
Battery type	Li-Ion 2200mAh
Noise level (dB)	180

Product specification

Filtration Type	Washable filter
HEPA filter	No
Dust Bag or dust container volume (ml)	1200
Dust bag type	Bagg less
Power regulation	Yes
Charging time	4,5 hours
Operation time	24 / 40 minutes
Docking station	No
Charging battery indicator	-

Cleans Floors, Tables, Cars

Vacuuming floors, removing crumbs from tables and countertops, cleaning car interiors. The **ECG VT 3620 2in1 Jean** stick vacuum cleaner can easily help you with any of these. It can run on the **battery power** and converts into a compact **handheld vacuum**. When not in use, it can **hang on the wall** in the supplied holder, but it's also engineered to stand upright on its own.

Aside from its flexibility, the cleaner also offers a convenient bag-free design, long battery life, high suction power, and a highly efficient cyclonic filter system. In short, we've thought of everything.

Convenient Cordless Cleaning

Aside from the mains, this vacuum cleaner can also run on a high-capacity **Li-Ion battery** (supplied), saving you the fuss of tripping over power cords and hunting for sockets in range. A full charge lasts for up to **40 minutes** of operation.

A full recharge takes about 5 hours. If necessary, the battery can be **removed or replaced**.

High-Efficiency Bagless Filter

The ECG VT 3620 2in1 Jean stick vacuum uses a high-efficiency **cyclonic filter** system, complemented by a fixed screen and removable fabric filter for intake air. This is a **bagless** design with a dustbin that you simply empty when required.

Cyclonic filtering uses the vacuum's air current to circulate collected dust and dirt, separating larger pieces from fine dust like a centrifuge. This obviates the need for a bag, and large objects such as earrings or Lego bricks are guaranteed to end up in the bin, instead of potentially damaging the filter or motor.

Effective, Easy Cleaning

ECG stick vacuums are engineered to please, with every component designed to make your chores easier and more effective. At the heart of the appliance is a **high-power two-speed motor** developing up to 130 W of power. The **motorized rotary brush** further improves cleaning performance, and the stick is **lightweight aluminium** for easier handling. Rounding out the set are practical features for ease of use, such as **LED illumination** of the work area, quality **rubberized castors**, and **overheat protection**.

The vacuum comes with a versatile set of accessories, including a bristled and a smooth brush for different floorings, a 2in1 brush head, the wall holder, and a charger.
