

ECG VT 3420 2in1 Jerome

Stick vacuum cleaner 2in1

Product code: 100001831744
EAN: 8592131309111

- 2in1 design (with hand vacuum feature)
- Motorized rotary brush with LED lighting
- Cordless
- Up to 60 minutes run time per charge

- 2in1 stick vacuum / hand vacuum for versatile cleaning
- Suitable for all flooring materials
- Efficient cleaning of dry dirt
- Easily converts to hand vacuum
- Cordless battery-powered design for faster, more convenient cleaning
- High-efficiency cyclonic filter system
- Washable nonwoven fabric filter
- Foam motor intake filter
- Bag-free operation with removable dustbin

- 0.6 liter (20 fl oz) dustbin volume
- Motorized rotary brush for thorough cleaning
- Integrated LED floor illumination for easier cleaning
- Powerful 75 W motor
- 4 kPa vacuum power
- 2 power levels
- Quality rubberized castors
- Overheat protection
- High-performance Li-Ion battery; 14.8 V (4× 3.7 V); 2,200 mAh

- Up to 40 minutes (low power) / 25 minutes (high power) per charge
- Charge time 4–4.5 h
- Mains power
- Foldable handle for easy storage
- Accessories: 2in1 head with brush; motorized brush; charger
- Nominal output power: 75 W
- Nominal voltage:
  – AC: 100–240 V; 50/60 Hz
  – DC: 17.5 V; 550 mA

Technical specification

Input power (W)	75
Voltage/Frequency (V/Hz)	14.8
Power supply	Cordless
Bettery type	Li-Ion 2200mAh
Noise level (dB)	180

Product specification

Filtration Type	Washable filter
HEPA filter	No
Dust Bag or dust container volume (ml)	600
Dust bag type	Bagg less
Power regulation	Yes
Charging time	4,5 hours
Operation time	25 / 40 minutes
Docking station	No
Charging battery indicator	-

Design

Colour	Blue

Accessories

Tapered nozzle	Yes

WIDTH WITH PACKAGING (MM)	270
HEIGHT WITH PACKAGING (MM)	610
DEPTH WITH PACKAGING (MM)	204
WEIGHT WITH PACKAGING (KG)	3.7

Cleans Floors and Car Interiors

Meet the **ECG VT 3420 2in1 JEROME**, a reliable **stick vacuum cleaner** that makes cleaning any floor easy and can also help with crumbs on car seats, tables, or countertops. The drive unit easily detaches from the accessories to function as a compact cordless **handheld vacuum**.

Aside from its flexibility, the cleaner also offers a convenient bag-free design, long battery life, and a highly efficient cyclonic filter system, making for a highly versatile household helper.

Convenient Cordless Cleaning

This vacuum cleaner is powered by a high-capacity **Li-Ion battery**, saving you the fuss of tripping over power cords and hunting for sockets in range. A full charge lasts for up to **40 minutes** of operation.

A full recharge cycle takes about 4–4.5 hours.

High-Efficiency Bagless Filter

The ECG VT 3420 2in1 JEROME stick vacuum uses a high-efficiency **cyclonic filter** system, complemented by a washable nonwoven textile filter and a foam intake air filter. This is a **bagless** design with a **removable dustbin** that you simply empty when required.

Cyclonic filtering uses the vacuum’s air current to circulate collected dust and dirt, separating larger pieces from fine dust like a centrifuge. This obviates the need for a bag, and large objects such as earrings or Lego bricks are guaranteed to end up in the bin, instead of potentially damaging the filter or motor.

Made for Cleaning

ECG stick vacuums are engineered to please, with every component designed to make your chores easier and more effective. At the heart of the appliance is a **high-power two-speed motor** developing up to 75 W of power. The **motorized rotary brush** further improves cleaning performance. Rounding out the set are practical features for ease of use, such as **LED illumination** of the work area, **quality rubberized castors**, and a **folding handle. Overheat protection** ensures safe operation.

All the basic **accessories** are included: a 2in1 brush head, the motorized brush, and a charger.
