A kettle that combines elegance with functionality

Pressure cooker **ECG RK 1708 Tradizione Corso** combines style and functionality in one elegant device. With **its matte red finish** and **lacquered metal construction,** it will become not only a practical helper, but also a design element in your kitchen. Its volume of **1.7 liters** always ensures enough water to prepare drinks for the whole family or visitors. The kettle works with an input of **1850-2200 W** , so it is fast and efficient in all circumstances.

Comfort and safety

Kettle ECG RK 1708 Tradizione The Corsa is designed to provide you with maximum comfort when preparing tea or coffee every day. The practical **indicator of the amount of water** allows you to accurately dose, so you always prepare exactly as many drinks as you need. **The removable limescale filter** makes cleaning easier. And the **automatic shut-off function** , **non-slip mats** or **overheating protection** ensure the necessary safety.

Ease of use

This kettle plugs **into a standard socket** and thanks to **the 70 cm long power cable** you can conveniently place it anywhere on the kitchen counter. **Light signaling** always informs you when the kettle is in use. And the reliable **Strix connector** ensures trouble-free use. **The ergonomic handle** ensures maximum comfort when pouring, and storage is facilitated by **a rotating base with a cable winding function** . Prepare your favorite cup of tea or coffee with the ease and elegance that this kettle brings directly to your kitchen.
