

ECG ERB 21711 XE

Combination refrigerator

Product code: 100002102283

EAN: 8592131000278

- Combined refrigerator with bottom freezer
- Energy class: E
- Total volume: 268 l
- Cooling/freezing compartment: 184 l / 84 l

- Combined freestanding refrigerator with freezer at the bottom
- Energy efficiency class: E
- Total volume: 268 liters (184 l / 84 l)
- Freezing capacity: 4 kg/24h
- Quick freeze function
- Climate class: ST/SN
- Minimum recommended ambient temperature: +10°C
- Maximum recommended ambient temperature: +38°C
- Energy consumption: 221 kWh/year
- Noise level: 40 dB
- Recommended set temperature inside the refrigerator: 4°C
- Recommended set temperature inside the freezer: -18°C
- LED lighting
- Automatic defrosting of the refrigerator
- Manual defrosting of the freezer
- Manual temperature setting
- Temperature rise time: 12 hours
- 4 safety glass shelves in the refrigeration compartment
- 1 drawer for vegetables and fruits
- 4 door compartments
- 3 drawers in the freezing compartment
- Change of door opening direction
- Adjustable height
- Power consumption: 70 W
- Product dimensions (H x W x D): 170 x 54 x 59.5 cm

Product specifications

Categories	With bottom freezer
Type	Free-standing
Cooling system	Statics
Total volume (l)	268
Net volume of the refrigerator (l)	184
Net volume of the freezer (l)	84
Noise (dB)	40
Noise class	C
Energy consumption (kWh/year)	221
Energy class	E
EEl	100
Freezing capacity (kg/24 h)	4
Climate class	ST/SN
Number of compressors	1

Elegant refrigerator

The combined refrigerator **ECG ERB 21711 XE** is a great helper for your home. Thanks to its width **54 cm**, it ranks among the very compact models. It fits perfectly into your kitchen without getting in the way. In addition, it has a very elegant design that will give your kitchen a new, timeless look. The possibility of adjusting the height of the refrigerator, thanks to specially adapted legs, will also ensure its excellent stability.

Fresh every time

This refrigerator is equipped with a **special drawer designed to store fruit and vegetables**. So if you want to treat yourself and your loved ones to plenty of vitamins, don't worry, this drawer will keep food fresh and healthy for as long as possible. The drawer is located at the bottom of the refrigerator so that you have your favorite fruit or vegetables at hand whenever you feel like it.

Make the most of your fridge

The ECG ERB 21711 XE refrigerator is equipped with plenty of storage space for storing your food. You will have 4 shelves at your disposal that are made of **safety glass** to guarantee the safest possible handling of food inside the appliance. You can also use up to 4 door compartments for storing your favorite drinks. The capacity of the refrigerator is really huge, you will be able to store large purchases for the whole family in it without any problems. The volume of the refrigerator itself is up to **184 liters!** In the case of the freezer, it is 84 liters. You will be able to store your frozen food in 3 drawers.

Practical functions for an easier life

"The refrigerator is equipped with a number of gadgets in order to achieve the greatest possible comfort. This is, for example, **LED lighting**, thanks to which you will have a perfect overview of all the stored food. That way you will never have to look for your touch again when you feel like a midnight snack. This model also has a **quick freezing** function, which allows you to reach lower temperatures faster and effectively freeze food, thereby increasing its shelf life and preserving its quality. The mode can be activated by switching to SF. This mode allows the cooling space to cool to a lower temperature than the normal temperature and prolongs the operation of the compressor. You will certainly also appreciate the possibility of changing the door opening direction. So if you're already annoyed that you're opening the fridge with your hand, then know that you don't have to anymore!"
