Enjoy a fresh summer

With the **ECG FS 40a RB White** floor fan, you don't even have to worry about tropical temperatures. The appliance in white color will be the star of every household, but it will also serve in the office or perhaps at the cottage. The fan boasts **propellers with a diameter of 40 cm** and a total height of 126 cm. The round base ensures perfect stability and the **safety grid** reliably protects not only the propellers, but also your hands.

Convenient and easy operation

Setup is very easy and intuitive and anyone can do it. The standing fan ECG FS 40a RB White can be controlled with the help of buttons. The fan is very flexible. You can choose from a total of **3 air flow speeds** and the fan head can be rotated or tilted. You can also easily **adjust its height**. The appliance is equipped with **protection against overheating**. This model stands out for its very low noise level, so you can be sure that it will not disturb you. The power consumption reaches the value of **50 W**.
