ECG EFP 12930 WE

Chest freezer

Product code: 100002196759
EAN: 8592131001282

- Inverter motor for efficient freezing and quiet operation
- Plenty of space thanks to 293 liter capacity
- Electronic temperature control
- Two additional storage baskets
- Super freeze function

- Capacity of 293 l, which can hold a lot of food supplies
- Two additional storage baskets
- Inverter motor for quiet and efficient operation
- Freezing capacity 14 kg / 24 h
- Temperature range +10 to -30 °C
- Recommended set temperature inside the freezer -18 °C
- Electronic temperature setting with clear display and simple buttons
- Practical alarm light that lights up if the temperature inside the freezer is too high
- Super freeze function for quickly setting the lowest possible temperatures (-30 °C)
- Button lock against unwanted manipulation
- Noise level acceptable 41 dB (noise class C)
- Climate class ST/N/SN/T
- Minimum recommended ambient temperature +10 °C
- Maximum recommended ambient temperature +43 °C
- Option to select units (°C/°F)
- Option to adjust the height of the feet to compensate for stability
- Easy opening with a recessed handle
- Temperature rise time 25 h
- Manual defrost
- Classic white design that fits into any interior
- Energy class E
- Energy consumption 230 kWh/year
- EEI 100
- Dimensions 84.4 × 106.5 × 59.2 cm
- Weight 32.58 kg

Product specifications

Categories	Counter freezer
Type	Free-standing
Cooling system	Statics
Total volume (l)	293
Net volume of the refrigerator (l)	-
Net volume of the freezer (l)	293
Noise (dB)	41
Noise class	C
Energy consumption (kWh/year)	230
Energy class	E
EEI	100
Freezing capacity (kg/24 h)	14
Climate class	ST/N/SN/T
Number of compressors	1
Reverse door opening	No
Zero clearance hinges	electronic
Cooling compartment temperature setting	electronic
Recommended temperature inside the refrigerator (°C)	Yes
Freezer temperature setting	-18

Design

Number of shelves in the cooling compartment	-
Type of shelves in the cooling compartment	-
Number of shelves in the freezer compartment	-
Type of shelves in the freezer compartment	-
Number of drawers in the freezer compartment	-
Number of additional baskets in the freezer compartment	2
Fruit and vegetable drawer	-
Drawer for meat products	-
Number of door compartments	-
Refrigerator defrosting	-
Freezer defrosting	Manual
Feet height adjustment / stability compensation	Yes
Vacation mode	No
Fast cooling	No
Fast freezing	Yes
Winter switch	No
Handle type	Recessed
Temperature rise time (h)	25
Colour design	White
Ice cube tray	No
Wine holder	No
Egg rack	No
Ice scraper	Yes
Alarm	Yes

Weight & dimensions

WIDTH (MM)	1060
HEIGHT (MM)	845
LENGTH (MM)	590
WEIGHT (KG)	32.58

Weight & dimensions (Brutto)

WIDTH WITH PACKAGING (MM)	110
HEIGHT WITH PACKAGING (MM)	888
DEPTH WITH PACKAGING (MM)	609
WEIGHT WITH PACKAGING (KG)	36,54

Provides space for frozen food

Are you one of those people who keeps a large stock of food at home for all occasions? Then the **ECG EFP 12930 WE** countertop freezer was created just for you. It will provide you with enough space for various foods, from fruit and vegetables to ice cream to meat, fries and frozen pizza. The appliance offers a total volume of **293 liters** and its interior space is equipped with **two additional storage baskets** for better orientation in the stored foods. Its advantages also include a top-notch **inverter motor**, which ensures effective freezing and quiet operation. You will also appreciate the **high freezing performance** of the freezer - the appliance can freeze up to 14 kg of food in 24 hours.

Efficient and quiet operation with inverter motor

The heart of the ECG EFP 12930 WE freezer is a modern **inverter motor**, which ensures **quiet operation** and **excellent energy efficiency**. This motor adapts its performance to the needs of the cooling system, which leads to reduced energy consumption, a longer lifespan of the entire appliance, and lower noise levels.

Super freezing

This freezer also has a practical **Super Freeze** function, which cools newly stored food without unnecessary delay. It is a gadget that, by simply activating it, **you can quickly set the lowest possible temperature (–30 °C)**. Of course, there is also the possibility of **setting the optimal temperature** of the freezer compartment according to your own needs (with a choice from –30 to +10 °C), with the recommended set temperature being –18 °C.

A number of clever details

This chest freezer will also win you over with several useful details that make its use easier. Worth mentioning is the **alarm indicator light**, which alerts you when the temperature inside the appliance becomes too high. Easy operation is ensured by a modern electronic panel with a **clear display** and **simple buttons**. Unwanted handling of the freezer (for example by curious children) is prevented by a practical **button lock**. The overall dimensions of the freezer are **84.4 × 106.5 × 59.2 cm**.

It will serve where needed

The chest freezer ECG EFP 12930 WE belongs to the **ST/N/SN/T** climate class, so it can be used not only in the kitchen but also in less heated rooms. The ambient temperature can range from 10 to 43 °C. The possibility of **adjusting the height of the feet** is also practical, allowing the appliance to be leveled on uneven surfaces. Opening the freezer is always convenient thanks to the **recessed handle**. During operation, the appliance reaches a maximum noise level of **41 dB**, so wherever you place it, it will not disturb you significantly. In terms of consumption, this chest freezer falls into **energy class E**. Its annual consumption is around 230 kWh.
