Compact design and easy handling

The **ECG ZH 2400 Beardtrim Moonstone** beard trimmer is a practical helper for everyday grooming, impressing mainly with its **compact dimensions** and **low weight**. Thanks to its ergonomic design, it fits comfortably in the hand and is easy to handle even during longer use. The elegant **glossy grey finish** looks modern and easily fits into any bathroom.

Precise cut and variable length adjustment

The heart of the device is a **stainless steel cutting unit** that ensures reliable and precise trimming. The trimmer offers a **beard length range of 0.5–10 mm** with a **precision of 0.5 mm** and a total of **20 adjustable length settings**, allowing you to easily create a style exactly to your liking – from short stubble to a fuller beard. The **30 mm cutting width** enables fast and efficient grooming without unnecessary delay.

Wireless operation and battery life

Power is supplied by a **built-in Ni-MH battery (600 mAh)**, which provides up to **40 minutes of operation** on a single charge. A full recharge takes approximately **8 hours**, and the process is indicated by a **charging indicator**. The trimmer is primarily designed for **cordless use**, so the cable does not restrict you and you can use it comfortably anywhere.

Practical accessories and easy maintenance

The package includes a **trimming attachment**, **cleaning brush**, **maintenance oil**, and an **AC adapter** for charging. Thanks to this, you have everything you need immediately at hand and the maintenance of the device is simple. A practical detail is also the **integrated stand**, which makes storing the trimmer easier and helps keep the bathroom tidy. Overall, it is a lightweight and compact trimmer that delivers reliable performance for everyday home beard care without unnecessarily complex features.
