## Compact helper for everyday beard grooming

The **ECG ZH 2200 Blade Moonstone** beard trimmer is designed as a practical and lightweight device for regular home grooming. Thanks to its **compact dimensions** and **low weight of only 120 g**, it fits comfortably in the hand and is easy to handle even during longer use. The modern **glossy grey finish** looks elegant and, together with the **plastic body**, makes it suitable for any bathroom or travel.

## Precise cut and variable length adjustment

High performance is ensured by a **stainless steel cutting unit** that provides reliable and even trimming. The trimmer offers a **beard length range of 0.5–10 mm** with a **precision of 0.5 mm** and a total of **20 adjustable length settings**, allowing you to easily adapt your style from short stubble to a longer beard. The **30 mm cutting width** enables quick grooming without unnecessary delay. An advantage is also the **shaving head**, which expands usage options, and a **removable cutting unit** for easier cleaning.

## Wireless operation and easy charging

Power is supplied by a **built-in Ni-MH battery (600 mAh)** with up to **30 minutes of operation** on a single charge. A full recharge takes approximately **8 hours**, and the process is indicated by a **charging indicator**. The trimmer is primarily designed for **cordless use**, so the cable does not restrict you during grooming. Charging is carried out using a **USB charging cable**, making it easy to connect to common adapters, a computer, or a power bank.

## Practical accessories and easy maintenance

The package includes a **trimming attachment**, **cleaning brush**, and **maintenance oil**, so you have everything you need immediately at hand. The **30 mm shaving width** allows efficient grooming of larger areas, while the **55 cm cable length** provides sufficient comfort during charging. Thanks to the **removable cutting unit**, maintenance is quick and easy. Overall, it is a lightweight and compact trimmer that delivers reliable performance for everyday home beard care and fine detail finishing.
