Compact rice cooker for smaller households

The **ECG RZ 11F** rice cooker is an ideal choice for individuals, couples, or small families who want to prepare rice easily and without unnecessary effort. Thanks to its power of **400 W** and a bowl capacity of **1 litre**, it can prepare up to **700 g of uncooked rice**, which comfortably provides several portions. The appliance is suitable for **all types of rice**, so you can enjoy classic white rice, basmati, or jasmine rice always with perfect consistency.

Easy to use and safe to operate

Using the rice cooker is very easy thanks to the **manual control** and clear **indicator lights** that inform you about the appliance's operation. Safety during cooking is ensured by a **safety lock** and **overheat protection**. Comfortable handling is enhanced by **thermally insulated handles**, while **non-slip feet** ensure stability on the kitchen countertop. Thanks to this, the rice cooker becomes a reliable helper for everyday cooking.

Practical features for convenient cooking

The inner bowl with a **non-stick surface** prevents burning and also significantly simplifies cleaning. After cooking is finished, the rice cooker can automatically **keep the rice warm for up to 5 hours**, so it stays hot even if the main dish is not ready yet. A **removable bowl** and a **transparent lid** are also practical, allowing you to monitor the cooking process. The package additionally includes a **measuring cup and spatula**, so you can start cooking immediately after unpacking.
