For precise care of your appearance

Treat yourself to perfect precision and maximum comfort during your everyday shaving routine. The **ECG ZH 3000 3Shave Moonstone** foil shaver delivers both. The fixed and movable parts of its shaving system are made **of high-quality stainless steel**. It supports both **corded and cordless operation**, so it will not let you down either at home or while travelling. You will also appreciate its **easy operation** and clear **display**. In short, this is a shaver you will not want to be without.

Battery and mains powered

When listing the advantages of this men's shaver, one of the first things that must be mentioned is its flexibility. It supports both **power supply via the included cable and cordless battery operation**. The device is equipped with a **600mAh Li-Ion battery** with a nominal voltage of 3.7 V, while mains power is provided by a **105 cm long cable with a USB-C interface**. The ECG ZH 3000 3Shave Moonstone shaver will therefore serve you perfectly both at home in the bathroom and anywhere while travelling. The battery charges to one hundred percent capacity in about an hour and a half. The integrated **display** clearly informs you about the current percentage of energy available in the device.

Travel without worries

Do you travel frequently and want to enjoy precise and comfortable grooming even while on the go? In that case, you will also appreciate the presence of a **travel lock** on the ECG ZH 3000 3Shave Moonstone shaver. Thanks to it, you can safely take this handy device with you everywhere – when packed in a suitcase, bag, or backpack, you do not have to worry about it accidentally switching on during transport. In the case of longer stays away from home, you will also certainly appreciate the **long battery life** – a single charge provides up to **60 minutes** of cordless operation.

When maintenance is a breeze

Maintenance of this men's shaver is easy and hassle-free. The **shaving head with foils** is **removable** and can be easily **rinsed under running water**. For even more precise maintenance, you can also clean the foils with a **cleaning brush** before rinsing them with water – the brush is included in the basic package.

Thoughtful design

The ECG ZH 3000 3Shave Moonstone features a **rounded handle with a flat base**, ensuring a comfortable grip and stable standing position. The dimensions of this foil shaver are **145 × 59 × 53 mm**, while its weight is a reasonable **180 g**. The device also stands out with its elegant design, combining **plastic and metal parts in a grey-black-silver finish**. **Operating the shaver is very simple** – everything is controlled using a single button.
