

ECG EWF 10140 iSteam Washing machine

Product code: 100002200765

EAN: 8592131001619

- 10 kg capacity, which is enough for a larger family
- Up to 1400 rpm for fast spinning and shorter drying time
- Steam function and anti-allergy program for more hygienic laundry care
- Energy class A, low energy and water consumption
- Modern BLDC motor for quieter operation, higher efficiency and longer life of the washing machine

- Classic freestanding design
- Front loading
- Washing capacity 10 kg suitable for larger households
- Energy efficiency class A
- Energy efficiency index EEIw 36.1
- Energy consumption approx. 36 kWh per 100 cycles
- Energy consumption 0.357 kWh per Eco 40–60 cycle
- Water consumption approx. 49 l per cycle
- Spin speed up to 1400 rpm
- Length reference program 3:59 h
- Length of the reference program at half load 3:00 h
- Option to set the speed of rotation according to the type of laundry
- Noise during spinning 75 dB
- Noise emission class B
- Maximum power input 1900 W
- Rated voltage 220–240 V / 50 Hz
- Recommended water pressure 0.05–0.85 MPa
- Stainless steel drum with a volume of 68.5 l
- Modern BLDC motor
- Steam function for gentler laundry care
- Steam helps care for fabric fibers
- Clothing remains soft and delicate after washing
- Special anti-allergy program
- Baby clothes program
- Suitable for baby clothes and sensitive skin
- A total of 15 washing programs
- Cotton program
- Baby clothes program
- Night program
- Hand wash
- Shirt program
- Bedding program / curtains
- Anti-allergy program
- Self-cleaning program
- Eco 40-60 °C
- 20 °C program
- Rinse / spin
- Separate spin
- Jeans / dark clothes program
- Wool program
- 15-minute quick program
- Washing temperature adjustment button
- Spin speed adjustment button
- Extra rinse function
- Option to add laundry during washing
- Load detection system
- Automatic adjustment of consumption according to the load
- Lower water and energy consumption with a smaller load
- Laundry balancing system to reduce vibrations
- Improved stability during spinning

- Self-cleaning program for easy maintenance
- Cleaning and sterilizing the interior of the washing machine
- Delayed end of wash function
- Child lock to prevent unwanted changes to settings
- End of cycle sound signal washing
- Option to turn off or turn on the sound indication
- Clear control panel with display
- Rotary program selector
- Automatic door lock during washing
- Automatic continuation after power failure
- Maximum door opening angle 130°
- Washing machine opening diameter 32 cm
- Door diameter 48 cm
- Power cord length 160 cm
- Adjustable feet for stability compensation
- Dimensions 598 × 608 × 845 mm

Technical specifications

Max. power (W)	1900
Rated capacity (kg)	10
Max. number of revolutions per minute	1400
EEl	36.1
Energy efficiency class	A
Washing efficiency index	1.031
Energy consumption per 100 cycles (kWh)	36
Weighed water consumption per cycle (l)	49
Length of reference program (hrs.)	3,59
Length of the ½ load reference program (hrs.)	3
Noise (dB)	75
Noise emission class	B
Turned off (W)	0.5
Automatic detergent dispensing	-
Twin Jet System	no
Steam function	Yes
Motor type	BLDC
Wifi connection	no
Possibility of hot water connection	no
Self-cleaning function	Yes

Products specifications

Add laundry during washing	Yes
Stability compensation system	Yes
Laundry balancing system	Yes
Aquastop hose	no
Supply and drain hoses in the package	Yes
Delayed start/ End	Yes

Programs

Number of programs	16
Auto program	no
Temperature setting button	Yes

Design

Drum material	Stainless
Drum volume (l)	68.5
Drum diameter (cm)	50.5
Max. door opening angle (°)	130
Washing machine opening diameter (cm)	32
Door diameter (cm)	48
Power cable length (cm)	160

Large capacity for convenient washing of the whole family

The **ECG EWF 10140 iSteam** automatic washing machine is an excellent choice for households where laundry is done frequently and in larger quantities. Thanks to its generous **10 kg capacity**, it easily handles everyday clothes, towels, bed linen, and larger loads of laundry. The practical **front-loading design** and classic freestanding construction make it a reliable helper for bathrooms, laundry rooms, and utility rooms.

Economical operation without compromise

The washing machine belongs to **energy class A**, helping you save energy even with regular use. Thanks to intelligent adjustment of operation according to the amount of laundry, it uses water and energy more efficiently, which you will appreciate during everyday washing as well as with larger family loads. Powerful spinning at speeds of up to **1400 rpm** also helps reduce the subsequent drying time.

Steam care for fresh and delicate laundry

A major advantage of this model is its **steam function**, which helps care for fabric fibers and leaves laundry pleasantly soft and gentle. The washing machine is also suitable for households with children or more sensitive skin, as it offers programs focused on gentle care, including a **baby clothing program** and an **anti-allergy program**. The result is fresher laundry and more convenient care for everyday textiles.

Programs that adapt to your laundry

The **ECG EWF 10140 iSteam** washing machine offers a practical range of programs for everyday washing and gentle care of more delicate fabrics. It easily handles regular clothing, delicate laundry, bed textiles, and quick refreshing of smaller loads. In addition, every wash cycle can be conveniently customized using **temperature settings**, spin speed selection, or the **extra rinse** function.

Gentle Honey Comb drum and reliable operation

Your clothes are cared for by a stainless steel drum with a **Honey Comb** design, which supports gentler handling of fabrics during washing. The modern **BLDC motor** contributes to efficient and reliable operation, while the clear display, rotary selector, and **self-cleaning program** make everyday use and maintenance of the washing machine easier.
