## Everyday entertainment in Full HD

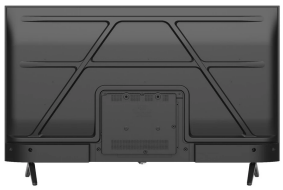

With the **ECG 40 FSV262** TV, you can enjoy well-deserved relaxation every day while watching films, series or sports. On its **40-inch screen** (diagonal **101 cm**), this model serves up your favourite content in attractive **Full HD** resolution, which is fully sufficient for comfortable viewing in a standard-sized room. Thanks to reliable **Direct LED** backlighting, the picture remains pleasantly clear in all circumstances. And the **VIDAA U9** operating system offers plenty of entertainment options, so every member of the family can find something to enjoy.

## A smart environment called VIDAA

This TV is equipped with the **VIDAA U9** operating system, which provides quick start-up, simple control and, above all, plenty of great entertainment options. Thanks to it, you always have **popular apps and online services such as Netflix, YouTube, Prime Video or Disney+** close at hand. Support for **HbbTV** is practical too, as it expands standard TV broadcasting with additional internet content and makes it easier to access archives, bonus videos and other information.

## Plenty of connection options

Do you want to connect an external device to the ECG 40 FSV262 TV? No problem – there is a very solid range of options available. You can use **3 HDMI ports** with support for **ARC** and **CEC**, so connecting a game console, notebook or soundbar is easy. There are also **two USB ports** for playing media from a flash drive or using the **TimeShift** function, which lets you pause live broadcasting and return to it later. And that is not all – the TV also supports wireless technologies such as **Bluetooth** and **Apple AirPlay**, the **DLNA** system and **screen mirroring from a mobile phone**.

Internet connection is possible wirelessly via **Wi-Fi** or through the wired **RJ-45/LAN** interface.

## Well-tuned sound

Quality sound reproduction in this smart TV is handled by the **NICAM** audio system with **stereo speakers delivering 2× 10 W**. You can count on clear and understandable sound, which can also be tuned to the type of content you are watching thanks to the available **five-band equalizer**.

The TV also includes an **optical output** and a **headphone jack**, so you can easily connect it to a home audio system or enjoy private listening.

## Reliable reception and extra practical functions

The ECG 40 FSV262 smart TV can receive **terrestrial, cable and satellite broadcasting**. It is equipped with **DVB-T/T2, DVB-C and DVB-S/S2** tuners, so it can easily adapt to different reception methods without the need for additional devices. A **CI** slot for a decoding module is also included.

The TV also offers a range of practical features, from an **electronic programme guide** (EPG) and a **channel list** to **parental lock** and **hotel mode**. It is therefore a versatile device that will please you with simple use and useful content control options.

## Flexible placement

The ECG 40 FSV262 TV will serve you reliably exactly where you need it. It also allows **wall mounting** – it is compatible with the **VESA (100 × 100 mm)** standard, so you can place it conveniently wherever you see fit. Thanks to its compact 40-inch format, it is a great choice for the living room, bedroom and other home spaces.

The weight of this device is **6.1 kg**.
