Easy and comfortable hair styling

With the **ECG ZH 2800 Magnetic Moonstone** trimmer, home hair styling is simple and convenient. Its compact body sits comfortably in the hand, while cordless operation gives you freedom of movement. Two heads for different styling needs

The equipment includes a **T-shaped** blade head for hair styling and clean lines. For finer details, there is a narrow **3.5 mm** blade head, ideal for more precise shaping. Comb attachments help you work with different cutting lengths, while left and right combs make gradual trimming easier.

Magnetic USB charging

Practical **magnetic USB charging** makes everyday use more convenient. The cable connects easily to the appliance, and the charging indicator clearly shows the battery status. A full charge takes about 2 hours and provides up to **60 minutes of operation**, which is more than enough for regular home grooming.
