Vacuuming without pulling the cord

The **ECG VT 6220 2in1 Power Flex** bagless stick vacuum cleaner makes the home cleaning a child's play. It's a flexible appliance, powered by a **22.2V lithium-ion battery** **HEPA filter (H12)**, which catches even the smallest particles.

The charging time of this vacuum cleaner is approximately 4 hours. The appliance can last up to 28 or 15 minutes on a single charge (depending on the mode used).

Easy transformation of a stick vacuum cleaner into a hand-held one

This practical appliance is also equipped with a smaller detachable hand-held vacuum cleaner, which you will especially appreciate when cleaning small dirt - using it you can easily vacuum crumbs on the sofa, car interior or even a mess around the dining table. Again, you don't have to pull a cable behind you, so you can easily get where a normal vacuum cleaner wouldn't reach.

All necessary accessories

In order to clean with precision your home with the **ECG VT 6220 2in1 Power Flex** vacuum cleaner, you will also receive a whole range of practical accessories. The floor nozzle has replaceable brushes, you can choose between a brush for carpets or hard floors. The flexible joint of the stick vacuum cleaner ensures easy handling and access to less accessible areas. The vacuum cleaner is also equipped with a mopping pad for wiping and a dust brush. After cleaning, simply park the vacuum cleaner anywhere or hang it on the wall, the power adapter has a sufficiently long cable. You can use the following additions:

2 replaceable brushes (suitable for hard floors or carpets)

Flexi flexible nozzle

Mopping pad

Dusting brush
